

# Meadowlark School Newsletter

## February 2018

It's hard to believe we have made it halfway through the school year, but here we are! As I reflect back on the first half of our year, I'm proud of our students and staff for the amazing progress that has already been made. Across the board we've seen outstanding growth with students gaining independence, confidence, and improving in their academic skills. In efforts to better communicate what is going on at school, we are going to include a monthly newsletter with a calendar of events rather than the slip we usually send. We hope this helps provide a clear and consistent message to every home!

On **March 1** we will have a kick off to our school reading celebrations with the theme of 'IditaREAD' guiding us this year! We will host an open house from 4-7 pm that evening with a variety of activities in classrooms like Iditarod trivia, phonics games, art projects etc. There will be a book fair in the library as well as treats and an art auction in the gymnasium with funds raised going toward our playground revitalization efforts!

As we continually work to create the best school environment for our students and families, the staff has collaborated to develop a parent survey. We wish to celebrate the good while making improvements where needed! There is a paper copy of the survey attached to this month's newsletter and you can also access the survey by visiting the Meadowlark Announcements page on the Conrad Public School's website, [www.conradschools.org](http://www.conradschools.org).

Thank you for sharing your children with us, we hold that as a high honor!

Mrs. Marie Judisch  
Meadowlark School Principal
